

U.S. Cellular
Ill. C.C. Docket No. 04-0653
IITA's Data Requests Nos. 1.01 – 1.48
Dated: December 23, 2004

Request: 1.01

Question: Please provide copies of U.S. Cellular's responses to each and every data request served by any party in this docket. This is an ongoing request, so please provide responses to data requests served after the date of this request.

Response: U.S. Cellular objects to this data request on the grounds that it is overbroad and unduly burdensome. U.S. Cellular further objects to this data request to the extent it purports to impose obligations in excess of those imposed by relevant discovery rules of the Illinois Commerce Commission. U.S. Cellular is aware of, and intends to meet, the obligations of the Illinois Commerce Commission rules regarding supplementation of discovery.

Notwithstanding the foregoing objection, to date, the Staff of the Illinois Commerce Commission ("Staff") has propounded a "me too" data request to U.S. Cellular. No other data requests have been received.
